

V° edition of the CINEMA/WORK/MIGRATION's contest

CARBONIA 08-10 OCTOBER 2014

VII° edition of Mediterraneo Film Festival

REGULATIONS

THEMES, SELECTION AND PRE-SELECTION

1) **Mediterraneo Film Festival** includes the **V edition of the CINEMA/LAVORO/MIGRAZIONE's Contest**, in order to promote the man knowledge through stories, not only personal one, but stories that have preferably ad prevalent subject job and/or immigration. It is possible to represent about these themes, even like background, any manifestation of the human character, as the pain, for example physic suffering or psychological pain, the limitation of the expression of our culture, of our differences in every shape, violence representation, armed too, on the single man, on the community and in general all those restrictions of human rights that institutions should constantly guarantee/ protect.

The festival is organized and promoted by Regione Autonoma Della Sardegna, by Società Umanitaria, by Centro Servizi Culturali from Carbonia-Iglesias and by Cineteca Sarda.

2) The Contest is opened to everybody and the submission is completely free.

3) The Contest will be in **Carbonia** in **October** from **08th to 10th 2014**.

4) The Contest is divided into two main categories, in which in the same way and without any distinction, national and international works will compete; the categories are: Fiction Film and Documentary Film, from now called film. It is up to the candidate to choose the right categories at the moment of the submission.

5) Works of every length can compete e there will not be any distinction between feature film and short film.

The film will be evaluated only by the following criteria: thematic relevance, communicative efficacy of the original idea of the author, the direction explained in its narrative and aesthetical dimension; the talent of the professional and social actors to keep and play the narrative film structure on.

The film will be assess only for its good quality, considering especially the theme proposed, the narrative structure efficacy, therefor the shooting script, its form and/or the aesthetic, and the direction as well.

6) For the screening the following format are allowed: 35mm, HD (all kind of format), Betacam Sp, DVCAM, DVD and Blue Ray. The secretary's office has the right to suggest the kind of technical support depending on the organizational requirements of the Contest.
